Announcement to Postpone Caregiver Recognition Day

To all the amazing family caregivers in our community:

We want to let you know that we are postponing the annual Caregivers Matter… Conejo Cares Caregiver Recognition Event.

Your health and safety are our main concerns, and it light of the coronavirus/COVID-19 spread in our state, we have decided to postpone the event until we can be sure it is safe to gather in this way.

We are monitoring Ventura County Public Health to stay on top of important information and procedures. They have asked all agencies to create a plan to prepare for "social distancing" to prevent the spread of any diseases. Out of an abundance of caution, we have decided to postpone this event to ensure that we are not putting any of you at risk.

The new date is Friday, May 8th from 9:30am – 2:30pm.

If you are unable to attend this date, please let us know by calling 805-497-0189.

For more information on the disease and how you can protect your family visit the following sites:
