

GROCERY DELIVERIES

The following sites allow you to request a delivery be made to your home for a small delivery and service fee. Orders can be placed using your computer or via downloading an app onto your mobile device. You simply:

1. Create your order by selecting the items you require
 2. Select the date and time for delivery (only available at Checkout). Note - at the time of writing, many of these were several days out due to high demand
 3. Provide some personal details, like address and payment details
 4. They do the shopping
 5. They charge your credit or debit card (sorry no cash or checks)
 6. They deliver to you at your home
- **Vons:** Orders must total \$30 minimum for groceries. The regular home delivery fee is \$9.95 but may be reduced if your purchase amount is over \$150. The regular service fee is around \$4, depending on location. At the time of writing, Vons was offering \$20 off your first order. See their [FAQs](#) for more details on how it works and for answers to common questions
 - **Ralphs:** A \$5.95 delivery fee and a \$6.00 service charge will be applied to your order at the time it's placed. See their [FAQs](#) for more details
 - **Instacart:** Allows you to receive individual orders from many of your favorite stores (depending on your zip code), including: Aldi, Stater Bros, Ralphs, Sprouts, Smart & Final, Total Wine, Gelsons, Costco, CVS, Petco, BevMo, Pavilions, Sur La Table, Albertsons and Vons. Orders must be over \$10 and the delivery fee depends on the size of your order and the delivery time that you choose. Visit their [FAQs](#) for more details. If you think you will be placing orders regularly, check out their [Instacart Express](#) option which, for a flat annual fee, will see delivery fees waived for all orders of \$35 along with other benefits.
 - **Prime Now:** The delivery arm of Whole Foods, Prime Now is a service exclusive to [Amazon Prime members](#) so long as you meet the order minimum of \$35. See their [FAQs](#) for more details.
 - **Postmates:** Connects you with local couriers who can quickly deliver anything from any store or restaurant - fast food, coffee, liquor, groceries and more. At the time of writing, code SAVE100 could be used for \$100 in delivery fee credits for new Postmates customers. See their [FAQs](#) for more details.
 - **Shipt:** Through a user-friendly app and a local network of reliable shoppers, Shipt connects members to fresh groceries and everyday essentials from various stores (depending on your zipcode): CVS, Gelsons, Office Depot, Pavillions, Petco, Smart & Final, Sur La Table, Target and Vons. See [FAQs](#) for more details.

GROCERY PICK UPS

The following are sites where you can place your order online, they do the shopping and charge your credit/debit card and then YOU pick up the ready-to-go order from the store:

- **[Target](#)**: Target has two options for collection: [Pick-Up](#) and [Drive-Up](#). *Pick-up* allows you to order via their app or online, they will do the shopping and then you pick-up in the store. *Drive-up* goes one step further as the staff will bring the shopping to your car, so long as you park in a designated parking spot and follow some simple steps on their app. Find out more via their [Pick-up FAQs](#) and [Drive-up FAQs](#)
- **[Instacart](#)**: As well as deliveries to your home (see above), Instacart also allows you to order ahead at Erewhon, Mothers Market and Vicente Foods for self pick-up at a later time (you select the time).

PHARMACIES

- See separate page for pharmacy delivery services.

PREPARED FOOD / TAKE OUT

The following sites offer a range of restaurants and menus to select from:

- [GrubHub](#)
- [Door Dash](#)
- [Uber Eats](#)
- [Postmates](#)

Many restaurants are also offering curbside pick-up at this time. Some local favourites include [Cheesecake Factory](#), [BJ's](#) and [Brent's Deli](#), along with [this list of takeout and delivery options](#) provided by the Conejo Valley Chamber of Commerce

AND FINALLY....

[Amazon](#) continue to be the market leading online marketplace for all types of products - from groceries to hardware, from electronics to toys and games.
