Presented By Dr. Label

Dr. Lorne Label is a Board-Certified Neurologist who has treated adult and pediatric neurology patients for over 40 years. Since 1983, Dr. Label has been an attending physician at the Los Robles Regional Medical Center in Thousand Oaks, California. In early 2021, he retired from his position as a Clinical Professor of Neurology at the David Geffen School of Medicine at the UCLA Department of Neurology. In 2021, Dr. Label joined as a neurology faculty member for a new four-year graduate medical education (GME) neurology residency program at HCA-affiliate Los Robles Medical Center. Dr. Label's expertise in neurological disorders and injuries is highly sought after in the medical-legal field.
