### Club Level Seats For Two For A Los Angeles Rams vs Buffalo Bills Game

If you love football, you're not going to want to miss out on this opportunity to watch an exciting matchup between the Los Angeles Rams and the Buffalo Bills when they face off during the 2024 NFL season!

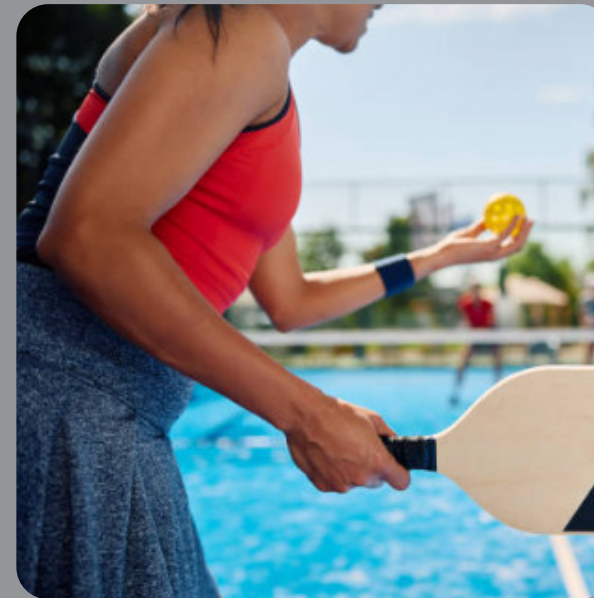

The Buffalo Bills and Los Angeles Rams are in opposite conferences so they only meet on the field once every four seasons. In fact, these two teams have played each other just over a dozen times in their history, with their first game back in 1970. The popularity of both teams, combined with the infrequency which they play, makes demand for Rams vs Bills tickets strong whether the game is in Buffalo or L.A.

You'll have some of the best seats in the house at Sofi Stadium – Club Level 192, Row 4, Seats 13 and 14 – where you can cheer to your heart's content!

**Restrictions:** Tickets will be available after May 15, 2024. Date to be determined.

### The Ultimate Electric Bike

The first thing to say about riding an e-bike is that it really does feel like magic. You pedal the same way you've been pedaling bikes since you were a kid, but the bike just sails forward, as if a giant hand is pushing you from behind.

An electric bike makes it easier to cover longer distances and overcome challenging terrain, they are sustainable and cost-effective and they are fun to ride!

You can take home a Pedego Element E-Bike or choose another at Pedego 101 and then hit the road for a cycling adventure!

The Element E-Bike provides pedal assist and throttle modes up to 20 mph, 20" x 4" fat tires so you can go anywhere – trail or street — and battery life good for up to 20 miles of riding. In addition, you can accessorize with front suspension, fender, rear rack and more!

**Restrictions:** Retail value may be applied to any new, in-stock e-bike at Pedego 101.

**Donated By: Pedego 101 Westlake Village**

*\*A recent Journal of Transport and Health study finds that electric bikes are 21% more fun than pedal bikes.*
